COVID SAFE PROTOCOLS

This is a high-level overview of the COVID Safe Protocols for the African Cup NSW 2020. The full protocols must be reviewed in the WSW African Cup NSW Covid-19 Operational Policy.

1   PRE-TOURNAMENT

- All Players, Coaches and Staff are requested to download the COVIDSafe App as part of their participation in the African Cup of Nations.

- Coaches, Players and Staff to arrive dressed in playing gear.

- Players will be required to sign the Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

2   DURING TOURNMENT

- Each player, spectator and staff member are required to scan the venue QR code upon entry. It will take you to an online form which all patrons are required to complete.

- Maximum COVID Safe capacity for the venue is 500 people.

- Players and staff to bring own drink bottle.

- No shared personal equipment such as towels, drink bottles etc.

- Players are to observe social distancing while sitting on the substitutes' bench.

- Players and staff to continue personal hygiene.

- Players and staff are required to leave the venue promptly at the conclusion of their respective game(s).

3   COVID REPORTING

- General information about COVID-19 and the symptoms are available at various information websites, including:

  https://ais.gov.au/health-wellbeing/covid-19 and https://www.health.gov.au/

- Common symptoms are sore throat, feeling sick, muscle pain and dry coughing and fever.

- Less common symptoms include loss of taste and smell, headache, nausea and diarrhea.

- Any Players, Coaches or Staff experiencing any COVID-19 symptoms must immediately isolate themselves and follow the processes detailed in Schedule 2 of the WSW African Cup NSW Covid-19 Operational Policy.
